The 9th International Conference on Electronics and Software Science, Online, December 26 – 27, 2024

The 9th  
International  
Conference on  
Electronics  
and Software  
Science

**ICESS2024: The 9th International Conference on Electronics and Software Science, Online, December 26 – 27, 2024 ( <https://www.icessconference.org/ICESS2024/> )**

## Call for Papers

### Purpose of Conference

This conference aims to bring many important research streams together in the research fields related to Electronics and Software Science. Researchers are encouraged to submit their contributions in both theoretical and practical aspects of the Research Topics described in the website of ICES20244( <https://www.icessconference.org/ICESS2024/icess2024-scope/> ).

### Registration Fee (JPY: Japanese Yen):

Since the ICES2024 will be held as a Technical Meeting in a Workshop of EISS (Electronics, Information and Systems Society) in IEEJ (The Institute of Electrical Engineers of Japan), the registration fee will not include the fee of Conference Proceedings, and just means the Participation Fee shown as below.

- IEEJ Member (General, Student): Free (0 JPY) (IEEJ individual member only),
- Non-Member (General): 4,000 JPY,
- Non-Member (Student): 2,000 JPY,
- Non-Member (Student & Presenter): Free (0 JPY)\*

\*IEEJ Society C (EISS) would fully subsidy the participation fee of non-member (Student/Presenter) until the end of March 2024.

As for Proceedings, you can purchase them at IEEJ Electronic Library

( <https://www.bookpark.ne.jp/ieej/> ) from 3 days before the first day of the ICES2024.

The fee of Proceedings depends on the number of papers included in the Proceedings. We expect that the fee will be reasonably priced.

### Proceedings:

This time, ICES2024 Conference Proceedings will be published by IEEJ, in the form of Technical Meeting Paper of IEEJ. The IEEJ will have the copyright of papers published in the Proceedings.

After ICES2024 Proceedings are published as a set of Technical Meeting Papers in “Section C\*\* Workshop of Perception Information” of IEEJ, you can purchase them as the technical meeting papers at IEEJ Electronic Library ( <https://www.bookpark.ne.jp/ieej/> ) from 3 days before the first day of the ICES2024

The ICES2024 Executive Committee will send the information on the publishment of Conference Proceedings to you who will participate in the ICES2024.

\*\*Section C means the EISS (Electronics, Information and Systems Society) in IEEJ.

## Post-Conference Publication:

A special issue on ICES2024 is planned in the Journal of IEEJ, i.e., IEEJ Transactions C (Electronics, Information and Systems) for presented papers in ICES2024 and the extended papers of previous conferences (ICES2018 – 2023).

The papers accepted for the special issue after normal reviews by IEEJ will be published in December, 2025. See here ( [https://www.ieej.jp/eiss/wp-content/uploads/sites/4/2024/10/cfp\\_2025\\_12\\_2.pdf](https://www.ieej.jp/eiss/wp-content/uploads/sites/4/2024/10/cfp_2025_12_2.pdf) )

## Information for Authors:

### Important Dates (Important Deadlines):

See the website of ICES2024: <https://www.icesconference.org/ICES2024/ices2024-important-dates/>

### ICES2024 Paper Format:

Use the specified format for paper submission, such as the template word file ( [ICES2024\\_TM\\_paper\\_template.docx](#) ) and sample PDF file ( [ICES2024\\_Paper\\_Sample.pdf](#) ).

## Procedure for Paper Submission and Registration:

### Step 1 (Review Paper Submission):

- Submit 2-4 pages Review Paper written in the specified format, at the ICES2024 website of Paper Submission ( <https://www.icesconference.org/ICES2024/ices2024-paper-submission/> ) by the deadline ( **November 21<sup>st</sup>, 2024**, **November 23<sup>rd</sup>, 2024** ). **Minimum 2-pages abstract paper which shows ongoing research or proposal on emergent research will also be welcome.**
- Please clearly describe what is the novelty of submission paper in comparison to previously published other papers that are shown in the References.

### Step 2 (Notification of Acceptance):

- ICES2024 Program Committee will notify the authors the review results and subsequent procedures by e-mail on **November 27<sup>th</sup>, 2024**.

### Step 3 (Conference Program Announcement and Information on Camera Ready Paper & Registration):

- ICES2024 Program Committee and/or IEEJ will announce the Conference Program immediately after the “Notification of Acceptance”.
- At the same time, IEEJ will send you the Information on Camera Ready Paper and Registration by e-mail.
- The Information shows the Paper No. to be written in your Camera Ready and the website of IEEJ for Uploading the Camera-Ready PDF.

- The Information also shows how to make a registration of your participation in ICESS2024.

#### **Step 4 (Camera Ready Submission (maximum 6 pages)):**

- Revise your paper according to the reviewers' comments (if any) shown in the e-mail from ICESS2024 Program Committee.
- Include the Paper No. in your Camera-Ready paper as shown in the Information from IEEJ.
- Upload the PDF of your Camera Ready to the website shown in the Information from IEEJ, by the **Strict Deadline (December 5<sup>th</sup>, 2024).**

#### **Step 5 (Registration):**

- Make a registration according to the Information from IEEJ, by the deadline ( <https://www.icesconference.org/ICES2024/ices2024-important-dates/> ).
- The presenter must register for ICESS2024.

#### **Step 6 (Notification of ICESS2024 Proceedings Publishment):**

- ICESS2024 Program Committee will announce the Publishment of ICESS2024 Proceedings in the form of a set of Technical Meeting Papers of IEEJ.
- You can purchase the Proceedings at IEEJ Electronic Library ( <https://www.bookpark.ne.jp/ieej/> ) from 3 days before the first day of the ICESS2024.

We (Program Committee) will appropriately contact you concerning "Procedure for Paper Submission and Registration".

#### **Online Conference (December 26 – 27, 2024):**

You will be informed of the Zoom address for the Online Conference by the Conference Chair.

#### **Address for Correspondence:**

#### **ICES2024 Executive and Program Committee:**

Chair: Yoshiro Imai

### **Invitation to IEEJ membership:**

IEEJ is a traditional science institute, founded in 1888, with a membership system with scholars and engineers. As described in [this website](#), you can receive many services such as member discount on IEEJ publications (including the papers of technical meeting) etc., in addition to monthly distribution of the Journal of IEEJ. Your application is highly welcomed. You can apply membership [online](#).

\*If you are in a hurry or become member, and would like to purchase the papers, please pay a membership fee by credit card first.

After you finish payment, please ask General Affairs Section of IEEJ about log-in ID and password of My Page.
